

Warrugang Ski Club is a long established private, family oriented ski club with a modern lodge facing Centre Valley and Mount Perisher in Perisher Valley.

Warrugang is your chance for a real on-snow Ski Club experience amongst club members — make friends with a diverse group of people who share a common love for the snow and who enjoy & appreciate life in the Snowy Mountains throughout the seasons — down-hill and cross country skiers, snow-shoers, snowboarders, bushwalkers and anglers.

Staying at the Lodge is a special experience, with a chef-manager in winter providing superb meals and spacious accommodation for 22 guests in 10 rooms, each with the luxury of 2 king singles or a king double bed and each room with an en-suite.

The lodge is available in summer on a self-catering basis for members and their guests to enjoy bushwalking, cycling and fishing in the tranquillity & beauty of the Snowy Mountains.

You can check the snow over breakfast and plan your day without having the grind of driving through the traffic to the ski-fields.

Your skis, snowboard or snow shoes are downstairs, ready for you to hit the slopes of Perisher, Blue Cow, Smiggins and Guthega.

And if you don't want to ski, you can just sink into the lounge in front of the fire with a hot chocolate, perhaps followed by some coffee in the village.

Whatever your choice, at the end of the day you can enjoy the social life around the Valley before the short walk back to the Lodge for a chef-cooked dinner with other club members and their family & friends.
